SCI	NT	NT	63%	88%	NT	NT	NT	NT	66%	80%
2016-2017 State Testing Results										

### Staffing

The OCEAN staff consists of 2.5 certificated employees. All OCEAN certificated teachers have a master's degree and are highly qualified. Our teachers have an average experience of 18.4 years.

### Academic Programs

The OCEAN program academic offerings include K-12 content in all core areas.

### Support

Additional support for students is available in social-emotional, personal, and career-college ready counseling through the Port Townsend High School counseling team.

### School Goals

Continue and strengthen connections with Maritime Center for the Bravo Team and with the Marine Science Center Educational Programs

Increase student participation with the NW Watershed Institute's watershed restoration projects.

Continued diligence in monitoring student site-based and remote activities as per ALE WACs regarding attendance monitoring.

## Achievements

Bravo Team - Weekly longboating class with year-end 5-day overnight journey

OCEAN Recyclery Bike School - Fall and Spring class with year-end 4-day overnight journey

Tracking the Dragon - Series of field trips teaching about local watershed

Plant-a-Thon - Salmon restoration project and local ecology education

## Community Partners
