SMART Goals

Members reviewed 2019-2040 MDS Goals and worked to form goals.

What are the student outcomes we are seeking?

At least 2 students will attend and participate in MDS Advisory committee, Feb 2020.  
Student lead committee.

Criteria for community partners. Do partners know they are partners? What makes a project sustainable?

Can weather challenges funding challenges? Teacher change? Adopted curriculum?

Process... check in with partners.

Administrator will meet with partners who works with more than one grade level in September.  
Building administrator will give teachers will be provided information about adopted projects in teaching assignments and put in contact with partners.  
Accessible documentation to partners.

The goal will improve communication process between partners and district staff about anticipated changes.

Partnerships/projects continue through time.
